

GENERATION NEXT AUDITION INFO

AUDITION WILL BE HELD AT OSHAWA'S LEGENDS CENTRE: 1661 Harmony Road North.

Order of events Audition day:

Dancers are asked to arrive early, sign in and warm up.

Your sign in sheet will have a section that discusses your availability and preference for rehearsal times. Please fill this out and ensure this is handed in to the panel.

Choreographers will begin the audition by leading dancers through a contemporary/jazz routine. We will ensure to switch lines so that all may see. Dancers will be called to dance by number/group for the panel.

Once the panel has seen everyone and feels ready to move forward dancers who are comfortable will be asked to show their improvisation skills to the song of the choreographers choice.

All dancers will be contacted via phone or email to discuss the Generation Next opportunities for them.

With a show called "Inspire" Genera/on Next plans to do just that. INSPIRE! Whether your dancer makes this show or not we hope they will be inspired to continue to train grow as a performer.

We ask any dancer who is not selected for this particular show to please re audition at our next audition event as every show will have its own style, look and feel. Where a dancer may not work for this particular show they may be perfect for the next! Keep training and keep auditioning!

Dancers who are selected are absolutely expected to be gracious with their acceptance and represent Genera/on Next well in the way of respect towards others who may not have made this particular cast.
